Descrim, May is —A Central City dispatch banaces.

Descrim, May is —A Central City dispatch by gradient and the second control of the

musiering out and discharging of voluntiers. The several divisions of the various Army Corps will be kept intact, and commanding Generals, immediately on the receipt of orders directing any portion of failt forces to be musiered out, will nester the same, if not already therest, to one of the following rendered out, will nester the same, if not already therest, to one of the following rendered out, will nester the same, if not already therest, to one of the following rendered.

First. The irrops of the Middle Millary Department, and if debta armies or departments are in the description of the same o

as the time for the discharge of sale tropps depressed.

"In case of one or more regiments of a division relong mustered out, the division remaining in the field, the sale regiments are regiments will be sinchered out at the piece where founds where founds are the first with the field, the sale regiment are regiment will be sinchered out at the piece where founds.

It has discussed to the time, and thus can to their respective finales.

It has discussed to the time, and thus can to their respective finales.

The Grand Jury, restered up from his ways. The Grand Jury, restered up found his season that the final time this or indictions a galaxy. See the presented in the Criminal Court to day, the foundation of the confidential antiquity of Households and are decivery pursuit organized.

"General Sharman Capacia to leave for the West in a few day, and will lead his middless to their horses. He rejans, through few Grands, the command of the department of the Mississipsi, and will at one system the duties until divi arthrophy is restored."

PROB KENTUCKE nion Meeting at Frankfort-Nomina-don of Treasurer Speech by Seneral

ing has night Cant. W. L. Neal, of Madison Comity, was me, insect for Sister Freewayer, Col. Wood inving refused to allow his rease to be used. A platform was adopted, resolving to make a bold and straightout fight on the constitutional summinent. Several the speeches were made. Among others, Major Ceterral Faltner spoke, taking a bold and decided stand with the national Union party of the constitutional summer values are evidently in a mus, such conservations are evidently in a mus, as the conservation of the conse of disloyal Presbyteries, and minispers and churches sympathising with the rebellim are dropped from the rolls. Offending members are to be received into fellowable when they repent and acknowledge their errors.

Examplicat Erriscorations—For some months paid a number of Expandit deprements, of the low-church of Evangellari school, in New York, have been participating with the of the Presbyterian and Datch Reformed communitors in meetings, having for their purpose the promotion of union among all denominations of Christians. Last Sanday evening their services were held at the Church of the Ascension, in Fifth avenue, Riev. Dr. Ferris, Dutch Reformed, presiding, it is ascertained that Bishop Foster, taking offente at this as giving connetnance to schizm, has prepared a pastoral letter, reprobability the whole movement. The decument, while he inmediately last before the public, will make a great "molse" and confusion in the church.
